HARDWARE

*Australia's Window & Door
Hardware Store*

A 20x20 grid with a ruler at the top. The ruler has markings at 0, 10mm, 50mm, 100mm, and 150mm. Two small black objects are placed on the left side of the grid. The first object is a small black circle, approximately 10mm in diameter, located at the 10mm mark. The second object is a small black triangle, approximately 10mm in height, located at the 10mm mark.
