NOTE: Wonderview™ products are NGA coated 304 stainless steel. Although they are more corrosion resistant than aluminium mesh, Wonderview™ is not recommended for environmental applications beyond **MILD**. For all other coastal applications, we recommend SR - 316 stainless steel mesh. Refer to our Insect Screen Warranty and Insect Screen & Sheet Applications & Maintenance brochures in the library section of our website, at www.total-hardware.com.au, for standard warranty, recommended environmental applications and essential maintenance.
